Addendum Number One

Date: September 17, 2015

Bid Opening Date: Monday, September 21, 2015 (revised to 9/28/15)

Project Name: Abbey Road Drainage Improvements
Bid No. 2015-16

Addendum Number One. Prospective bidders, and those concerned, are hereby informed that the following is made a part of the bid documents, which should be amended as follows:

1. Replace any and all reference to bid date of September 21, 2015 with revised bid date of September 28, 2015. Bid date has been extended one week. Time is unchanged (3:00 PM).
2. Attached revised Bid Proposal shall supercede original and includes new bid item 58, Uniformed Certified Flagmen. Contractor shall be permitted to use this item only when Darien Police are unable to provide uniformed officers or agents. Only certified uniformed flagmen dedicated to traffic control shall be paid for under this item.
3. Attached revised Bid Proposal shall supercede original and includes zero amount for Bid Item 41 Relocation of waterlines mains which will be performed by the owner of that utility, Aquarion Water Company at the utilities cost.
4. Sheet C4.40, Detail "Circular R.C.P. Trench Bedding Pipes Greater Than 24'", remove note and requirement for "Controlled Flowable Low Strength Material K-Crete or Equivalent". Flowable fill requirement is removed from project. Areas shown as flowable fill shall be constructed of bedding material as shown above and beneath designated flowable fill areas. Cost of additional bedding material shall be incorporated with other bedding material quantities and paid for in like manner. No additional or separate fees will be allowed related to this change.
5. Sheet C4.40, Detail "Circular R.C.P. Trench Bedding Pipes Greater Than 24" and "Circular R.C.P. Trench Bedding Pipes 24" or Less", Trench width shall be changed to read "Trench Width, Pipe I.D. (<30") + 2' - 0", Pipe I.D. (≥30") + 3' - 0" ". These trench widths along with the depths shown, shall constitute maximum pay limits for rock excavation.
6. Sheets No. C4.10, C4.30 or other location, eliminate any reference to 6" thick wall thickness on catch basins. Minimum thickness of wall shall be 8". All other specifications remain and apply.

Addendum Number One
Abbey Road Drainage Improvement Project
Bid No. 2015-16

Clarifications.

1. Sheet C4.50, Junction Chamber 1 and Junction Chamber 2, Details. Any discrepancies between written dimensions and scaled dimensions shall be resolved in favor of written dimensions.
2. Vertical datum used is assumed to be consistent throughout bidding documents.
3. The cost of tree removal, if necessary, shall be borne entirely by contractor and included in item 4, Clearing and Grubbing. No separate payment will be made for tree removal.
4. Contractor shall be solely responsible for support and protection of all utilities within the project area as may be encountered by contractors work, including utility poles. Any fees charged by utility companies shall be borne by contractor and included in bid price. No separate payment shall be made for support or protection of utilities.
5. Bid Item numbers 42, Relocation of Existing Water Service is intended to be used when a water service to a house is in conflict (found to be at the same elevation) with proposed drainage installation and must be relocated by contractors forces. This unit is not intended to be used for repair of damage to water services.
6. Bid Item numbers 43, Relocation of Gas Service is intended to be used when a gas service to a house is in conflict found to be at the same elevation) with proposed drainage installation and contractor must expose and coordinate with the gas company (Eversource) for the gas company to relocate service at gas companies expense. This unit is not intended to be used for repair of damage to gas services.
7. Bid Item numbers 44, Relocate Existing Sanitary Sewer Lateral, is intended to be used when a sewer lateral to a house is in conflict with (at same elevation) proposed drainage installation. This unit is not intended to be used for repair of damage to sewer lateral services.

Please acknowledge receipt of addendum by return email to DOustafine@darienct.gov. Please also acknowledge receipt of this addendum in bid submittal.

Sincerely,

Darren Oustafine, P.E.
Assistant Director of Public Works
